From David N. Camp, State Superintendent of Common Schools, Connecticut. I have examined Davies Series of Arithmetics with some care. The language is clear and precise; each principle is thoroughly analyzed, and the whole so arranged as to facilitate the work of instruction. Having observed the satisfaction and success with which the different books have been used by eminent teachers, it gives me pleasure to commend them to others. From J. O. Wilson, Chairman Committee on Text-Books, Washington, D. C. I consider Davies Arithmetics decidedly superior to any other series, and in this opinion I am sustained, I believe, by the entire Board of Education and Corps of Teachers in this city,...
