BRILLIANCE AUDIO, United States, 2013. CD-Audio. Book Condition: New. abridged edition. 175 x 130 mm. Language: English . Brand New. Total Recall: In Total Recall, Sara Paretsky brings together several disparate plots in one gripping story. This powerfully suspenseful novel confronts the machinations of a vast and corrupt industry that trades on the victims of Nazi terrorism; the strange and dubious phenomenon of recovered memory ; and a personal story that brings V. I. Warshawski into the long-buried past of her dearest friend and mentor, Dr. Lotty Herschel. Blacklist: Eager for something physical to do in the spirit-exhausting wake of 9/11, V. I. accepts a request from an old client to check up on an empty family mansion; subsequently surprises an intruder in the dark; and, giving chase, topples into a pond. Grasping for something to hold on to, her fingers close around a lifeless human hand. It is the body of a reporter who had been investigating events of forty-five years earlier, and V. I. s discovery quickly sucks her into the history of two great Chicago families. Fire Sale: V. I. Warshawski may have left her old South Chicago neighborhood, but she learns that she cannot escape it. When V. I. takes over coaching duties of the girls basketball team at her former high school, she faces an ill-equipped, ragtag group of gangbangers, fundamentalists, and teenage moms, who inevitably draw the detective into their family woes. As she tries to find a pair of errant teenagers, and to track down a particularly cruel murderer, her own life is almost forfeit in the swamps that lie under the city of Chicago.
