YOU CAN ELIMINATE YOUR CANCER: HEALING THROUGH THE GERSON THERAPY

Createspace, United States, 2013. Paperback. Book Condition: New. 198 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.This book recounts my own experiences with advanced prostate cancer that was eliminated through strict adherence to the Gerson therapy. It solely reflects my experiences. Through this book, I want to share my lessons with as many cancer patients as possible so that they may enjoy their lives, as I have, by eliminating cancer through strict adherence to the Gerson therapy. This is the only purpose I have in writing this book. The Gerson therapy is a strict diet therapy initiated by Dr. Gerson. Although patients pay huge medical costs for traditional cancer therapy, there is no guarantee that their cancer will be completely cured. One must hope and resolve to eradicate cancer by making dietary changes. Occasionally errors can creep into your practice because of lapses in vigilance. Please understand that despite such errors, striving for future success in curing cancer is the motive of this book. Minor mistakes do not affect those who strive to live a healthy life. My sincere hope is that the information in this book will help readers in their own journey to wellness.
