*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Entrepreneurship isn't easy. Often it's a longer than expected, gruelling road to success. Three years ago, when I quit my day job to give entrepreneurship my full-time focus, I was confident I'd make it but I had no clue it would take me a whole year to start earning money. My mindset now has changed drastically since I first started. I benefitted greatly from people that I would admire and read about. Personal stories, videos, even small tweets, anything that would give me insight as to how an entrepreneur thinks. Below I'll go through 25 points of difference between the me 3 years ago and the me now. I hope you enjoy reading this book as much as I enjoyed writing it.
