McGraw Hill Education, 2014. Softcover. Book Condition: New. First edition. Professionals in today's fast-paced environment work hard to attain financial independence, yet most go about doing it with little financial literacy. While managing personal funds is an inadvertent exercise performed by all, the question remains: how wisely is the money managed and invested? This book opens doors to simple, yet powerful, strategies that will change your approach to investing forever. You will learn how to achieve consistent investment return without losing sleep by understanding how to: * Set financial goals and figure out the types of investments required to achieve them * Prepare a Retirement Plan in Spreadsheet format by using step-by-step instructions and formulae * Recognize the difference between genuine investments and speculations in the financial markets * Discover great companies for stock investments and to create your own "wait-lists" * Value the stock of a company using "Discounted Cash Flow-DCF" analysis * Assess and decide on investing in gold and bonds
