Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This volume of The Fire Within consists of two opposing views from the mind of the author, as the sub-title suggests the yin-yang, which means the dark and bright side of his thoughts. They are mostly the product of his imaginations while some are based on his observations in and around the world in which we live in. Part one consists of dark, erotic and fantasy story poems and his political ramblings while part two consists of observational poems, such as global warming scenarios, inspirational and religious, tribute to the men and women in uniform, haikus depicting nature, acrostic-tanka, some humorous truth and fiction and most of all his favorite genre - love poems.
