Reviews

The most effective pdf i ever read. it absolutely was writtern extremely flawlessly and useful. I am very easily will get a pleasure of reading through a published book.

(Prof. Vidal Ledner)

EXPLOSION ROCKS SPRINGFIELD

FENCE BOOKS, United States, 2016. Paperback. Book Condition: New. 188 x 173 mm. Language: English . Brand New Book. Explosion Rocks Springfield is eighty one-page iterations of the following line: The Friday evening gas explosion in Springfield leveled a strip club next to a day care. Each iteration consists of analytical-philosophic queries, lyrical diffractions, and paranarrative documentary. Sixteen sub-topic variations appear. Every single word of the primary thematic line is exfoliated, extended, and exploded, multiplied, in a fugual structure, seeking the effects of content density, tension, and return. Continual re-figuration of all themata invites the reader to experience a pleasurable engagement with a material transparency that is neither prepackaged (found) nor fancied from thin air (inspired). What is explosion to a slab of drywall? What is drywall exactly? HEIGH-HO! Why do people strip? What is day care ? Why day ? What is night care? Why daylight why daylight why daylight. What is care exactly? Gas. Wherefrom gas? Raised in southern California, experimental poet, playwright, and labor activist Rodrigo Toscano is the author of seven collections of poetry including Collapsible Poetics Theater (2008), which was chosen for the National Poetry Series, and Deck of Deeds (2012). His work has been widely translated and anthologized; his radio pieces have aired on stations across the country. Toscano works for the Labor Institute in conjunction with the United Steelworkers and the National Institute for Environmental Health Science. He lives in Brooklyn, New York.
