

## Worship Like It Matters: I Dare Not Trust the Sweetest Frame

By Brett Wm Habing

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. What if we worshiped without wars? What if we could be both zealously truthful and ecclesiastically diverse? Who is doing it right? What about music? Does anything else have the potential to teach and admonish God's people, unify them, and bring Him glory? Yet what else has caused so much confusion and strife among believers? Worship Like It Matters is a call for greater dependence on God's Word and His Spirit. It's a challenge to discern if the frameworks we've sanctioned as God's Way are Scriptural or if they have become idols, replacing the God we claim to serve. I dare not trust the sweetest frame, but wholly lean on Jesus name.
