He has, indeed, no character quite up to the level of Parson Adams, but his Westerns and Partridges, Ins Allworthys and Blifils, have the inestimable gift of life. Hemakesnopretencetoproduce models of perfection, but pictures of ordinary humanity, rather perhaps: n the rough than the polished, the natural than the arlifual, and his desire is to do tins v. iih absolute truthfulness, neither extenuating nor disguising defects and shortcomings. One of the results of this unvarnished naturalism has been to attract more attention to certain of the episodes than their inventor ever intended. But that, in the manners of his time, he had chapter and verse for everything he drew is clear. His sincere purpose was, he declared, to recommend goodness and innocence and his obvious...
