## Acid Dreams: The Complete Social History of LSD

By Martin A. Lee

Grove Press / Atlantic Monthly Press. Paperback. Book Condition: new. BRAND NEW, Acid Dreams: The Complete Social History of LSD, Martin A. Lee, Few events have had a more profound impact on the social and cultural upheavals of the Sixties than the psychedelic revolution spawned by the spread of LSD. This book for the first time tells the full and astounding story of it hidden till now in secret Government files of the role the mind-altering drug played in our recent turbulent history and the continuing influence it has on our time. And what a story it is, beginning with LSD's discovery in 1943 as the most potent drug known to science until it spilled into public view some twenty years later to set the stage for one of the great ideological wars of the decade. In the intervening years the CIA had launched a massive covert research program in the hope that LSD would serve as an espionage weapon, psychiatric pioneers came to believe that acid would shed light on the perplexing problems of mental illness, and a new generation of writers and artists had given birth to the LSD sub-culture. Acid Dreams is a complete social history of...
