This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Penguin Classics. Paperback. Book Condition: New. Paperback. 512 pages. Dimensions: 7.6in. x 5.0in. x 1.0in. The culmination of Jane Austen's genius, a sparkling comedy of love and marriage. Beautiful, clever, rich and single Emma Woodhouse is perfectly content with her life and sees no need for either love or marriage. Nothing, however, delights her more than interfering in the romantic lives of others. But when she ignores the warnings of her good friend Mr. Knightley and attempts to arrange a suitable match for her protegee Harriet Smith, her carefully laid plans soon unravel and have consequences that she never expected. With its imperfect but charming heroine and its witty and subtle exploration of relationships, Emma is often seen as Jane Austen's most flawless work. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
