

## ST(P) Mathematics 3A

By L. Bostock, F. S. Chandler, A. Shepherd

Oxford University Press, United Kingdom, 2014. Paperback. Book Condition: New. 2nd Revised edition. 224 x 166 mm. Language: English . Brand New Book. Part of the ST(P) graded series in mathematics, this book follows 1A and 2A and completes coverage of Levels 6 and 7 of the National Curriculum, and most of Level 8. Some of the work goes beyond Level 8. In particular, there is a large section on algebra which starts the preparation for the skills needed to cope with the algebra content of Level 10. The exercises are divided into three types of question. The first kind is aimed at helping pupils to understand the work, the second is for quicker workers, for extra practice or for later revision and the third is slightly more difficult, for those who have managed the first type fairly easily.
