

## Spasticity Management: A Practical Multidisciplinary Guide (Mixed media product)

Filesize: 5.26 MB

### ***Reviews***

*This book is great. I have go through and so i am confident that i will going to read through once again again in the future. I am just easily can get a satisfaction of looking at a written book.*  
(Miss Vernie Schimmel)

## SPASTICITY MANAGEMENT: A PRACTICAL MULTIDISCIPLINARY GUIDE (MIXED MEDIA PRODUCT)

Apple Academic Press Inc., Canada, 2016. Mixed media product. Book Condition: New. 2nd Revised edition. 254 x 178 mm. Language: English . Brand New Book. Spasticity is a common symptom that arises in a wide range of neurological conditions. Unfortunately, a poor understanding and inadequate management of spasticity often results in it having a greater impact on patients than necessary. Using a multidisciplinary approach, Spasticity Management: A Practical Multidisciplinary Guide provides the essential knowledge for the effective management of spasticity as well as the practical tools for developing wide-ranging services. In line with the previous edition, this book emphasises the importance of all team members being involved in educating the individual with spasticity and, if appropriate, their carers and families. Thoroughly updated, this edition discusses new medications available for spasticity management, increased coverage of postural management via occupational therapy input, and pragmatic guidance using illustrations, algorithms and linkages to real-world clinical practice. New chapters have been added to address individuals making the transition from paediatric to adult services as well as the provision of optimal end-of-life care. Also included are real-life case studies to emphasise learning points while engaging the reader, making this a valuable guide to any practitioner involved in managing spasticity.
