Brand New Book ***** Print on Demand *****.Get the information you need to get TOP grades in law school. For many, the road to law school success seems blocked by obstacles and filled with potholes. But learning the law and getting good grades on your law school exams is really not that difficult. You just need someone to show you the way. The 1L Success Guide was written by someone who graduated FIRST in his law school class. He shares the methods by which he learned the law and aced his law school exams, earning NINE high-paper awards in the process. Inside these pages I will show you how to prepare for and succeed during your first semester of law school, which culminates with those terrifying exams. It actually is not that difficult once you know what to do. I promise. Although the information in this book is targeted to students in...
