Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Congress in the War: Status of Legislation Given Numerically and by Subjects This pamphlet is issued by the document room of the House of Representatives to meet an apparent demand among Members of Congress for a concise resume of the activities of the two legislative bodies in respect to war measures. In order to make the compilation complete, bills and resolutions not considered as war measures are included in the references. Part I gives the status of all war legislation by subjects, at the conclusion of which will be found another subject list dealing in miscellaneous legislation. The status of each bill is given at the time the pamphlet goes to press. At the conclusion of the present session of Congress a corrected edition will be issued. Attention is also called to the list of laws of the Sixty-fourth Congress having a direct or indirect bearing on the international situation as well as a complete list of all laws of the Sixty-fifth Congress to date. Part II consists of a numerical index. Heretofore Members had no authentic means of ascertaining the outcome of various bills introduced, in statistical printed form, except in the bound Congressional Record. As the aforementioned publication will not be available for distribution for several months, it is believed this pamphlet will be found a valuable reference. Attempt is only made to specify the last action on each public bill. Private bills are not listed. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
