Extrait: . the effect of taxation, throughout the community, and were apt to use the words direct and indirect according as they found the burden of a tax abided more or less with the person who first paid it. This distinction was illustrated very clearly by quotations from a very able and clear thinker, the late Mr. Fawcett, who, after giving this test of direct and indirect taxation, made remarks to the effect that a tax may be made direct or indirect, by the position of the tax payers, or by private bargains about its payment. Doubtless such remarks have their value in an economical discussion. Probably it is true of every indirect tax that some persons are both the first and the final payers of it; and of every direct tax, that it affects persons other than the first payers; and the excellence of an economist s definition would be measured by the accuracy with which it contemplated and embraced every incident of the thing defined; but that very excellence impairs its value for the purposes of the lawyer. The legislature could not possibly have meant to give a TorS power of taxation, valid or invalid, according to its actual results et in particular cases. It must have contemplated some tangible Lambedividing line, referable to and ascertainable by the general tendencies of the tax, and the common understanding of men as to those tendencies. After some consideration Mr. Kerr chose...
