Brand New Book ***** Print on Demand *****.Excerpt from Human Proportions in Growth: Being the Complete Measurement of the Human Body; For Every Age and Size During the Years of Juvenile Growth; With Full Instructions for Use in Proportioning Garments In submitting this work to the members of my Profession and the Trade generally, I take advantage of the author s privilege of a Preface, to make a few remarks. When, some years ago, I determined to make a special study of Childrens Garments, I found, on entering this branch of the business, an utter absence of all means for the production of children s garments by system and proportions of age and size. Beyond a few good patterns held by a limited number and guarded with extreme jealousy, no definite knowledge of the Juvenile Clothing business seemed to exist. Whatever good patterns there were in the country were originated in the most of cases experimentally; and by a constant system of revision, based on a close observation of the requirements of living subjects, were toned down to correct proportions and fit. The amount of trial involved in the production of good patterns on such a basis, made them of great value, and almost impossible to obtain. As to any system by which to reproduce them and the proportions upon which they were based, it was unknown, or if known, was a Dead Secret. I determined to attain a thorough and exhaustive knowledge of the law of growth and the proportions of the human body during all the years of juvenile growth, and of the harmony of the growing form of any size. I turned to nature, and dealt only with the living subject....
