Excerpt: . . . 11 Since 9 11, the main mission of the FBI has been focused on the prevention of future terrorist attacks on the homeland. The FBI has spent the past two and a half years transforming and realigning its resources to meet the threats of the post-Sep-tember 11th environment. Director Mueller has re-balanced our resources among the counterterrorism, intelligence, counterintelligence, cyber and criminal programs. This transformation has been significantly enhanced by the enactment of the USA PATRIOT Act, which has facilitated increased information sharing between the intelligence and law enforcement communities, both internationally and domestically. H. R. 3179, the bill which has brought us here today, contains several significant re-forms that will assist the FBI in our efforts to collect the necessary intelligence and information to identify and disrupt future terrorist plots. Specifically, H. R. 3179 includes two important...
