If I spent a day at the beach, the sun and heat would so exhaust me that I couldn't leave the house the next day. While working full time I was in tears by Wednesday because I just didn't think I could keep getting up and getting going every morning. Now at last I have enough energy to do what I want. This ebook reviews many different causes of fatigue and strategies to help you overcome it. I am uniquely qualified to present potential ways to regain your energy. My experience is rounded out with years of training in Holistic Health and certifications as a Master Herbalist, Nutrition Consultant, Holistic Health Practitioner, and Weight Management Coach. This ebook offers many practical methods for overcoming fatigue and restoring enjoyment to life. It is Christian based as I believe that is a major factor for health and happiness.
