Hiking is a great way to get back in touch with a slower pace of life. The experiences while performing these activities are endless. Writing in a journal makes them timeless. This journal has plenty of space to: * record the location, date, time and distance of your walks * note the type of walk (light, moderate, strenuous) * record the weather conditions * write down companions that joined you along the way add details about the route you took You will find by using this journal that you have a very powerful reminder of your fitness journey.
