*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

## RESCUE THE CAPTORS

Life Sentence Publishing, United States, 2012. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.American bush pilot Russell Stendal, on routine business, landed his plane in a remote Colombian village. Gunfire exploded throughout the town and within minutes Russell's 142 day ordeal had begun. The Colombian cartel explained that this was a kidnapping for ransom and that he would be held until payment was made. Held at gunpoint deep in the jungle and with little else to occupy his time, Russell got ahold of some paper and began to write. He told the story of his life and kept a record of his experience in the guerrilla camp. His book became a bridge to the men who held him hostage and now serves as the basis for this incredible true story of how God's love penetrated a physical and ideological jungle. How did this incredible true story affect Russell? At first my mind went wild with thoughts of revenge and violence. Then, after a while, I was able to see through their attempt to break me down and brainwash me. I started making a determined effort to throw all their stories and dramas out of my mind and not to let my thoughts dwell on them at all. I would trust God that He would take care of my wife and I would close my mind to my captors input. I decided to think about positive values instead. I told them that they had two choices, either kill me, or let me go for whatever small amount my family could afford. One of the guerrillas turned and asked me if I was afraid to die. I replied that dying is obviously uncomfortable, but yes, I was prepared to...
